product spotlight

We
believe...

**our customers deserve everything
Great Lakes has to offer!**

- Excellent Technical Support & Information
- Engineering & Manufacturing Solutions
- Superior Products
- First-Class Customer Service

What you can't find in other companies and their products, you can find at Great Lakes Case & Cabinet Co., Inc. You can depend on us and you will receive the best of everything we have to offer!

Technical Support & Information

Finding Solutions: We have the resources to find information about the design of products, the industry, or any inquiry you might have. Please feel free to call us at 1-866-TRY-GLCC.

Technical Support: We offer live technical support from qualified experts from 8AM-8PM Eastern.

Valuable Resources: Easy to understand literature and a friendly website (which includes access to technical drawings and instructions) make it simple to research product and solutions on your own.

Product Configurator: A web-based "product configurator" helps you to configure an enclosure according to your specifications. To generate a quote request, just visit www.werackyourworld.com

Engineering & Manufacturing Solutions

In-house expertise: Our engineering experts have been trained to create custom product using state-of-the-art software and testing techniques.

Manufacturing Facilities: We employ our own team of manufacturing experts and cutting-edge fabrication equipment to ensure that our products are produced in the most effective and efficient manner possible.

Materials: We use only 100% U.S. cold rolled steel in the construction of our products.

Custom Product: Our "Rapid Prototyping" and "Fast Track" programs allow custom designed product to be produced in just ten working days from signatory approval of drawings.

Superior Products

UL listing: All Great Lakes standard products are UL listed.

Adjustable Rails: All enclosure rails are infinitely adjustable to better accommodate equipment.

Strong Rails: Rails on Great Lakes E and ES series enclosures are folded three times for added strength. Rails in most competitors enclosures are only folded twice.

Two Pairs: Two pairs of rails can be found in every free-standing enclosure and wall mount.

First-Class Customer Service

Quick Ship: With stocked distribution facilities (east and west coast), we ship standard product in 48 hours or less.

Traffic Managers: Full time traffic managers that will ensure your product arrives on time, while offering the best freight damage policy in the industry (Pre-Pay and Add).

Installation & Configuration: We will install accessories in any standard product, where you specify, at no additional cost. Your configured order of standard product will still ship in 48 hours or less.

Ordering: When ordering from Great Lakes, you will receive what we value the most – first class customer service.

No minimum order/No drop ship fee: You can purchase as much or as little as you want with no penalties and there is no extra charge to drop ship to your customer.
