CO-LO ENCLOSURES

Great Lakes Co-Location (Co-Lo) Enclosures provide 2 or 3 separate compartments (with dedicated cable raceways for each compartment) within a single enclosure. Each compartment is locked independently; only approved personnel are able to access the necessary compartment, while the remaining compartments and equipment is protected from unauthorized use.

FEATURES:

- Choose from 2 (21 RMU/compartment) or 3 (14 RMU/compartment) compartment enclosures
- Secure vertical cable management raceways to each compartment
- Cable access provisions located on top and bottom of enclosure
- Grounding studs on doors, side panels, and base unit
- Choose mesh or perimeter vented plexi front doors
- Choose mesh rear door or solid rear door with built in exhaust fans
- Locking swing handle is standard on all compartments; add additional security to each compartment with various handle options.

For more information, please talk to your Great Lakes representative, call us at 1.866.TRY.GLCC or visit us on the web at werackyourworld.com.
