1984-KM KEYBOARD & MOUSE SHELF

Your flat screen monitor is mounted in a convenient two (or maybe four) post rack. What about the keyboard and mouse?

Great Lakes Case & Cabinet has a shelf just for you. The 1984-KM is ergonomically designed to specifically mount to Great Lakes' series of 19" racks. The shelf holds a standard keyboard, with a swivel platform (with mouse pad) which can be easily mounted for left or right hand users.

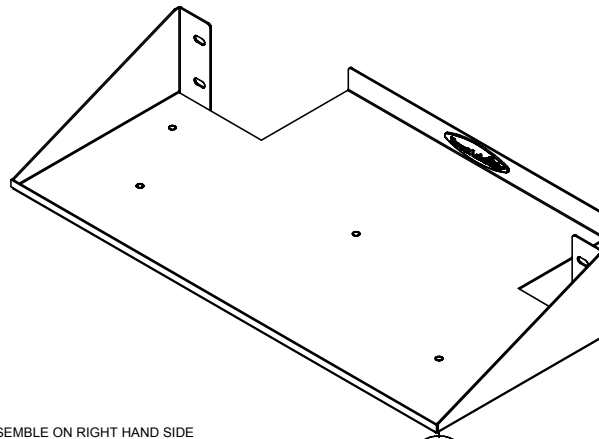

As is the case for all Great Lakes' rack mount accessories, the 1984-KM can be mounted at any height for comfortable use. Working on your computer has never been easier on a Great Lakes rack!
