WALL MOUNT POLE KIT

When telecom or small data equipment is needed in a facility, there may not be a convenient wall on which to mount a rack or enclosure. The Great Lakes Wall Mount Pole Kit allows our most popular wall mount products to be mounted to support poles or beams in the location where equipment is needed the most!

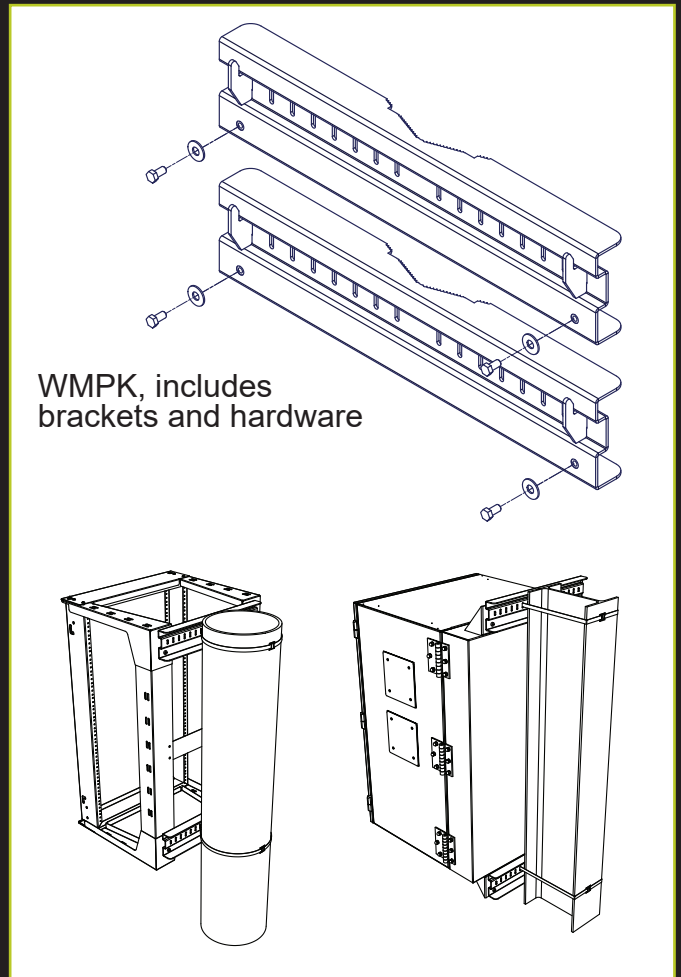

FEATURES

- Compatible with the following series of Great Lakes wall mounts and swing racks: WM, N12K, SR, and SRD (These products are intended for indoor use only)
- Brackets mount to keyhole pattern on rear of enclosures and are then strapped to poles using steel banding
- Able to mount to square or round poles
- Includes two brackets and mounting hardware (Strapping is not included. Please note that proper strapping is required to complete the installation of the Wall Mount Pole Kit.)

PART NO. WMPK

DESCRIPTION

Wall Mount Pole Kit; includes brackets and hardware to mount WM, N12K, SR, and SRD products to poles

WMPK, includes brackets and hardware

GL36SR (Swing Rack) and the GL360N12 (NEMA 12) shown; enclosures, racks, straps, and pole not included with kit
